- ✦ Learning & Development
- ✦ End-to-End Recruitment
- ✦ People Analytics
- ✦ AI for HR / HR Tech
- ✦ HRIS Management (SAP, Oracle)
- ✦ Organisational Development
- ✦ Data Visualisation
- ✦ Payroll & Benefits Admin

PROFESSIONAL EXPERIENCE

C&B and L&D Specialist | Ringkas *Mar 2025 – Present*

- Lead AI integration initiatives across HR and company-wide workflows, making complex tools accessible to non-technical staff — acting as internal digital coach for HR and business units.
- Manage end-to-end HR administration including employee data, benefits management, compliance, and vendor coordination.
- Research, evaluate, and pilot emerging HR technologies to drive operational efficiency and digital transformation.
- Design and prototype digital tools that streamline HR processes, balancing innovation with cost-effectiveness.

Key Achievements:

- ✔ Reduced recruitment time by 50% by designing and deploying an AI-enhanced hiring pipeline.
- ✔ Built a pilot AI-based recruitment tool, establishing the foundation for scalable, data-driven talent acquisition.
- ✔ Upskilled 20+ employees in AI and automation tools through structured internal coaching sessions.

Human Resource Assistant I | International Organization for Migration (UN) *Aug 2023 – Feb 2025*

- Served as National Focal Point for Staff and National Officer Level recruitment across all Indonesia operations.
- Delivered recruitment advisory to Hiring Managers, optimising timelines and candidate quality across multiple business units.
- Managed payroll processing for countrywide operations, ensuring accuracy and on-time delivery every month.
- Performed Organisation Management via SAP NetWeaver and Oracle HRIS systems.
- Created and maintained organisation charts, dashboards, and workforce visualisations using Visio, Tableau, and Power BI.

Regional People Operations Specialist | Elitez Pte Ltd *Jul 2022 – Aug 2023*

- Sourced and interviewed candidates for Indonesia, Vietnam, and Thailand offices; partnered directly with CEO and Regional Director on regional recruitment and OD strategy.

- Conducted market research and compensation benchmarking to strengthen employer competitiveness across the region.
- Developed a recruiter training module and redesigned onboarding materials to improve productivity and quality.
- Built Looker Studio and Tableau dashboards to monitor recruiter performance and pipeline metrics.

Key Achievements:

- ✔ Grew company headcount by 50% in a single quarter through targeted hiring campaigns.
- ✔ Drove a 300% revenue uplift in one quarter by placing high-quality candidates aligned to role and culture fit.

Associate Consultant | Glints

Nov 2020 – Jun 2022

- Managed end-to-end recruitment for hard-to-fill roles; screened and placed candidates across diverse industries.
- Mentored junior consultants on sourcing methodologies and conversion rate optimisation.
- Placed 14 positions across 2021–2022, generating USD 27,000 in total revenue.

EDUCATION

Master of Management – Applied Business Analytics *2020 – 2022*
Universitas Prasetiya Mulya

Bachelor of Arts – Psychology (Minor: Economics) *2017 – 2019*
The University of Queensland, Australia

Bachelor of Psychological Science *2015 – 2019*
Universitas Indonesia
